

Welcome to the
School Council

“CELEBRATION OF MUSIC” THANK YOU VOLUNTEERS! We are grateful for *you and your contribution*, the very root of our strong school community! **“Well done”!**

It is a privilege to be among you.

Thank you Trustee Brown for celebrating with us and supporting our school and parent engagement!

What is a School Council? “School Councils play a vital role in the education system in Ontario. *They provide a forum through which parents and other members of the school community can contribute to **improving student achievement and school performance***” (Ministry of Education, ON).

What do we do? We volunteer, advise, fundraise, share skills and resources, encourage and build our community while focusing on the best interest of all students.

Types of membership:

General Parent Members are all school parents. You are welcome to attend meetings, share your ideas and participate in discussions and on the committees. General parent members provide input and feedback to the Council but will not be able to vote officially. If you can not attend the meetings, please consider volunteering. Volunteers make a world of difference! Here are some ways you can help: field trips supervision, pizza lunches, council organized activities and events, information and resource sharing.

Members at Large are parent members who attend meetings, share their ideas and discussions, and have voting rights. This year 2019/20 we have acclaimed 22 members.
